

Priyo Adi Wibowo

Electronics Engineering

Electronics Engineering graduate (D3) from State Polytechnic of Malang with hands-on experience in low-voltage electrical systems, PCB design, and embedded system programming (C++, automation control, and IoT). Skilled in ESP32-based IoT solutions (sensor networks, wireless monitoring), circuit wiring, electronic component assembly, Instrumentation, and optimizing system performance. Contributed to research projects, including the development of an Adjustable 3D print Extruder with Heat and Speed Parameter. Strong teamwork and communication abilities, with a passion for Industry 4.0 and IoT-driven industrial innovation.

Education	Diploma III in Electronics Engineering State Polytechnic of Malang, Malang, East Java 2025	(GPA: 3,55)
Experience	Internship - Electrical Engineering PT. PLN Nusantara Power Unit Pembangkitan Brantas (PLTA Tulungagung), Tulungagung Juni 2024-August 2024 & Januari 2025-February 2025 - Performed preventive maintenance on critical power systems including transformers, jet coolers, and exciter systems - Conducted insulation resistance tests on transformers and generators using Megger - Executed resistance checks on motor governor protection system coils at Motor Control Centre (MCC) - Over change the water cooler barrel on power generator	
Technical Skills	Embedded System, IoT, PLC Programming, PCB Design & Fabrication, Circuit Design & Analysis, Low-voltage Electrical Systems, Component Assembly & Testing, Instrumentation, System Control, Analog/Digital Processing, Sensor Integration	
Programming Skills	- C++ (Embedded System, IoT, Microcontrollers Programming) - Ladder PLC (PLC Ladder Logic Programming) - Web Development (Basic HTML, CSS, and JavaScript) - Python (Basic Python Programming)	
Software & Tools	- Proteus & KiCAD (PCB Design, Circuit Wiring and Circuit Simulation) - SolidWorks (Basic 3D Design) - CX-Programmer (OMRON Ladder PLC Programming) - Arduino IDE (Arduino and ESP32 Programming) - Adobe Premiere Pro (Basic Video Editing) - MS. Office (Ms Excel, MS Power Point, MS Word)	
Certificate	TOEIC with Score 645, Issued by International Test Center (ITC) Python (Basic), Issued by HackerRank Pneumatic Pneumatic System Assembly and Equipment, Issued by BNSP	
Organization	Member of Mechatronics Lab - Extruder (2x2x2meter Bilateral 3D printer part) Building Team Forum Daerah Kota Pasuruan Politeknik Negeri Malang - Publication & Documentation Staff UKM Seni Theatrisic - Steering Committee Publication & Documentation Co-Leader	(2024-2025) (2022-2023) (2022-2023)
Language	Indonesia English	(Native) (Proficient)
